COOL BIKE RIDES CASINO RUN

Join Cool Bike Rides for an awesome guided ride! We'll be taking you on roughly a 100 mile trek to the Mohegan Sun Casino via some very scenic Connecticut roads. We've planned a ride that will avoid the highways as much as possible. This will begin in Southwick, MA and take you to a very nice hotel within minutes of the casino. From the hotel, you will have transportation available to take you to and from the casino. After breakfast on day two, we'll begin the ride back. This will take us down some more scenic roads along the Connecticut coast, then by Gillette's Castle, up along the Connecticut River on back to Southwick where we began.

There are limited slots available so reserve yours today!
